File County Petitions

As of this past Monday, May 12th, two nominating petitions have been filed, one by Andie Neilson (D), District No. 7, Beaver Creek and Bernard E. Hinkle (D), District No. 1, Frederic. All seven Commission positions are up for election this year.

James M. Kolka (R), has filed and will run for the office of County Clerk and Register of Deeds.

One additional nominating petition was filed for the Crawford County Sheriff's position, raising the total now to three. Michael C. Anthony (R), filed last week. Nominating petitions had previously been filed by Douglas Wallman (D) and Arthur F. Clough (R).

Norman F. Parker has filed a nominating petition on the republican ticket for one opening up for election this year on the Crawford County Prosecuting Attorney. Douglas C. Dosson (R) filed Monday afternoon.

State to Repair M-72 R.R. Crossing

If things go according to current schedule, the railroad crossing tracks on M-72 west will be repaired by October of this year. That's the latest word Road Commission Manager Charles Fox had this past Monday from State District Construction Engineer Glen Waltz of Cadillac.

Bids are scheduled to be let July 16th with the awarding of the contract expected in August. Repairs should begin in September with the work expected to take about 30 days.

Fox said it was his understanding that the crossing would be designed much the same as the one on I-75 business loop south, prefabricated with replacement of some of the road surfaces.

Fox indicated the project should be viewed with cautious optimism, though, since funding cutbacks have OK'd any number of other planned road improvements around the state this year.

GHS Girls Win Herald Times Event

Running off with nine first place finishes in fifteen events, the GHS girl's track team buried the rest of the field to win the Herald Times Invitational Track Meet held Monday afternoon at Gaylord.

Piling up 89 points to top the meet handily, the Vikings almost doubled second place Gaylord's point total of 45. Seven area track teams competed.

The team, which has progressively made its mark on the area track scene with impressive victories all season, displayed "overall balance and scoring in all events", according to Coach Marilee Cheney, "and that was the key to victory," she concluded.

Individual results in the meet will be published in next week's Avalanche.

Camp Grayling Training Dates

The two week period June 14th to the 28th will mark the start of major summer encampment training periods at Camp Grayling, according to a schedule published by the office of the Camp Commander, Col. J.R. Lippert.

The Indiana contingent of 5,074 troops and support groups representing an additional 600 troops will be in for the above-mentioned period.

The second major group will be the Ohio guardsmen, scheduled in from June 28th to July 12th, with just over 4000 troops expected to arrive. A second Ohio unit will follow from July 12th to the 26th with 2500 troops.

Michigan units will conclude the major summer slate from August 2nd to the 16th when some 6500 guardsmen will train here.

Other smaller training groups are expected here throughout the summer, including 560 from the northern Ontario Militia District from

August 16-24.

Just over 20,000 personnel will be involved throughout the summer period, which includes the Grayling unit currently in camp.

Mio Inferno Kills One

Area Fires Burn 2500 Acres — DNR Busy

By Joe Schrader

Grayling-based Department of Natural Resources firefighters were called to the scene of nine blazes in separate Crawford County incidents—seven in one day—from May 2nd through the 4th, although DNR Fire Officer Duane Brooks called the activity "not unusual for a high risk fire period."

The flurry of local fire incidents occurred at about the same time U.S. Forest Service personnel were battling the Mio blaze that killed one firefighter and left some 30 square miles of charred forest and more than 25

homes in its wake.

Fires burned over several thousand acres in Crawford County that same weekend, caused in part by careless burning practices by local residents and in some cases, visitors. Military activity was listed as the cause for several fires that consumed over 2500 acres, but Brooks explained that in large military tracts, fires are allowed to burn and DNR efforts are concentrated on containing the blazes within the perimeters of the ranges.

Brooks said he and DNR equipment operators Frank

Barber and Jim Gray, with help from members of the local DNR volunteer group, were able to keep the blazes in check. Camp Grayling fire crews called for DNR help on controlling fires in military areas. Neighboring DNR offices assisted on others, commonplace, Brooks said, because of a reciprocal agreement which exists with nearby DNR units. He gave this account of fires his department responded to:

-Whispering Pines area. Caused by burning brush-2/10 acre.

-Tank Range north of Down River Road-500 acres. Caused by military firing.

-Same location, separate incident-10 acres. Military firing.

-Sherman Road area. Three acres. Caused by campfire.

-Lovells area. 35 acres. Burning brush, improperly attended.

-Artillery Range north of County Road 612. Two thousand acres. Military firing.

-Old Fire Tower Hill area. Eighteen acres-military firing.

-Beaver Creek Township-1 acre -trash barrel fire spread.

-Beaver Creek Township-Oak & Five Mile Rd. area-careless use of cutting torch.

Brooks indicated that no bur-

NEMCOG Awarded Grant For Solid Waste Stream Assessment

The Northeast Michigan Council of Governments (NEMCOG) has been awarded a \$29,854 grant to conduct a Local Government Solid Waste Stream Assessment Study. The grant is funded through the Michigan Department of Commerce, Energy Administration.

The purpose of the study will be to determine the level of energy savings available by reuse and recycling of refuse disposed at sanitary landfills. Data collected will be available

to all local units of government to assist in implementation of cost effective resource recovery systems. In addition, the study will be of vital importance in future planning efforts to assist northeast Michigan's compliance with the new solid waste management law.

Three sanitary landfills within the eight county region have been selected for the study: the Otsego-Crawford sanitary landfill, located in Crawford County; the Oscoda-Montmorency sanitary landfill, located in Oscoda County; and the City of Alpena sanitary landfill, located in Alpena County.

According to the Project Manager, NEMCOG Executive Director Dr. W. Randolph Frykberg, the grant award is the latest result of nine years of work by the agency to assist the Region's solid waste management efforts.

Bits O'Talk

By Fay Boyce

Darcie McCurdy, daughter of Mr. and Mrs. Robert McCurdy, celebrated her fourth birthday by inviting in eleven little friends on April 28. The theme of her party was set by a Mickey Mouse cake, cupcakes and ice cream. They played color bingo and pin the nose on Mickey Mouse. Later that evening she also celebrated with members of the Bourrie family.

Mr. and Mrs. John Linendoll were guests of Mitch Linendoll at Concordia Lutheran College in Ann Arbor for Parent's Weekend.

Guest of Mr. and Mrs. Tom Welsh at Lake Margrethe were for Mother's Day weekend were her mother, Mrs. James DuBois of Vassar and her sister and husband, Mr. and Mrs. Warren Reed of Millinton. On Mother's Day they were joined by Frank and Joanne Doty and children, Jennifer and Blair, of Traverse City.

Two weeks ago, Mr. and Mrs. Tom Welsh were in Cass City to attend the wedding of his niece, Susan Koepfgen, daughter of Mr. and Mrs. Ken Maharg. They returned to Bridgeport on Sunday where they helped Tom and Lynn Welsh move into their new house. The Welshes were joined by Larry and Maribeth Akers and friend who helped them move.

Don't forget the Stag Day at Roscommon this Sunday.

Mrs. Elizabeth Patch was a guest at the home of her daughter, Wilda McClain and family for Mother's Day. Mrs. Patch resides at Provincial House in Gaylord.

services since 1955. From 1950 to 1955, church services were held in the Old Grange Hall in Grayling.

Membership at Mt. Hope Lutheran has been increasing steadily over the years and now stands at 520. Construction work on the new church began last September. AuSable Construction Company of Grayling was the general contractor.

The public is invited to attend either or both of the dedication services where refreshments will be served following the morning service; a buffet luncheon after the 4:00 p.m. service.

Girl Scout Recognition

During the annual Girl Scout Recognition & Fly-Up planning meeting in April, Jan Tobin, Mitten Bay Girl Scout Council Field Director, Gaylord, presented Barbie Brooks, Crawford County Girl Scout Service Unit Director, with a special appreciation pin from the Mitten Bay Council for her years of effort and leadership in Crawford County.

The pin is presented only to those showing outstanding service. Ms. Brooks has been a Girl Scout for 19 years serving as a Brownie Day Camp Director, Cookie Chairman, Cadet Leader, Consultant and for the past three years has been this area Service Unit Director.

She has planned and started many activities for girls in the county as well as volunteering and sharing her time with many adult leaders. She will be leaving her position as Service Unit Director this June and will be missed by many.

Barbershop

(Continued from Page 1)

will be guests also, both of the regular members and prospective members.

There will be opportunities for all to sing in the unique close harmony of the barbershopper, demonstrations of song learning without "reading" music, a presentation of the serious side of barbershopping, the fun side and a fellowship period with refreshments.

At present there are 38,000 men actively affiliated with the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc with 780 chapters in the United States and Canada.

Uniquely American, the SPEBSQSA movement dates to April 11, 1938 when it was founded in Tulsa, OK. The organization's motto is "Keep America Singing." Among some of the notables who have been a part of this hobby are Irving Berlin, the late Bing Crosby, Fred Waring, Meredith Wilson, Burl Ives, Arthur Godfrey and others.

Any interested male is welcome, whether he has any singing experience or not.

From Our
Corner ...

The gremlins really helped us out in last week's edition...We wound up with pie on our face...and felt like getting lost following a few phone calls after the paper was out...

First and foremost, we had a couple guys mixed up in the winning of the Kentucky Derby...we had Mac McPherson scooping up the spoils, and felt secure until he called and told us he knew nothing about winning the derby...we called the Timber Room to check and found out it was Howard (Mac) McFarlane cashing in on the filly Genuine Risk...sorry fellas...

That's not all...the gremlins helped out on other pages of the issue by putting photos and outlines in the wrong places, we hope our readers were able to figure out the mixup...

Guess we should have stood in bed last week...

Much copy has been written, many photos taken, much talk has been spoken since last week about the devastating forest fire at Mack Lake in Oscoda County that burned over 28,000 acres, causing death to one man and burning many homes to the ground. This started out as a control burn to help the nesting area for the Kirtland Warbler, that is nearly extinct, so the experts say.

As we read some of the articles we had to wonder why it had to take a man's life, and untold property damage to have some critics of old come out now and say that the warbler really isn't worth this...

This is not the first time that the tiny bird has played a part in the lives of people in the area where they come to nest each spring...not too many years ago the bird halted National Guard tanks when they were here training, having the Ohio Guard threatening not to return to Camp Grayling for their annual summer training, due to the little bird...

We remember well that at that time Earl "Chum" Longworth was Grayling Regional Chamber of Commerce Manager, made the statement something like, "to hell with the bird, we need the tanks here more than them."

This statement brought the wrath of the National Audubon Society and its chapters from all over down on Chum. We even received some nasty words because we had allowed it to go in print...now some of those people have changed their view point following the fire death.

We don't want to leave the impression that we are not bird lovers, we are, our only thought is that there are other animals, birds, etc that become extinct...we have enough forest fires started in many ways, let alone knowingly start one...

We hope some solution can be made on the keeping of the Warbler in its accustomed habitat...but not through the means used last week...or the threat of losing National Guard training here that means so much to our sagging economy.

We were approached Monday morning when we stopped at the post office with a question how come the city is not doing anything about the broken curbs on Michigan Avenue...we have noticed some broken ones, but there is one on the corner of Michigan Ave. and Peninsular that is real bad that was pointed out to us...some one may step just right on it and they are going to come up with a broken ankle or leg...we don't know who is responsible...but who ever, could well be sued for a tidy sum...there may be more like it...

Friday afternoon we ran into a friend from down Dearborn way that after a few remarks making fun of our corner we decided not to even mention the fact he was in town...we changed our mind after meeting Clyde later in the evening with his lovely wife Margaret. The Marions have a summer home on the AuSable. Clyde said he was retired now and plans to spend more time up here in God's country.

Clyde told us he read our corner...that it isn't very bright, and about how we are always mentioning T.C., T.J. and Stef, and now and then Amber out west...just for Clyde's information we spent Mothers' Day in T.C.

Have a nice weekend...summer is coming?...

Think Spring!

The second annual AuSable Bowfishing Carnival drew nearly 200 archers into Grayling last weekend to compete in a shoot for suckers in the AuSable River from US-27 downstream to Burton's Landing. It was estimated that over 200 of the rough fish who compete with trout for food in the river, were taken by the bowmen.

Eighty-seven motorcycle riders ran an endurance race in and around Grayling last Sunday. The riders were from the central Michigan area with most of them from Bay City, Lansing and Detroit. The Bay City Hornets had the largest group in attendance.

The Eleventh Annual running of the Michigan Canoe Championship Race, down the AuSable River from Grayling to Oscoda, was accertained recently, when representatives of the Grayling and Oscoda Chambers of Commerce met at Standish to formulate plans.

Starting gun for the famous 240-mile river paddle will sound at 8:30 p.m. Saturday, August 31st. Finish is expected in Oscoda about 1:30 p.m., Sunday, September 1.

Last Thursday evening the Grayling American Legion Post 106, took another step forward when they opened their bowling alley doors to the public with new A.M.F. automatic pin setters.

This is a great undertaking on the part of the Legion, and merits the fine cooperation that everyone has shown them in the past to continue to do so in the future. This indeed is another fine addition to the growing progress shown in Grayling.

Grayling like all other spots in Michigan got a taste of the dust storm last Thursday that prevailed in the Midwestern States. There was lots of dusting

to do for several days.

Mr. and Mrs. Harry Worden are receiving congratulations on the birth of a daughter born May 11. The little girl has been named Betty Lou.

Mrs. Carl Hanson surprised her husband Monday evening by entertaining a party of 18 friends in honor of his birthday anniversary.

Today is Nels Corwin's birthday and this evening Mrs. Corwin is entertaining the family at a dinner party in his honor. Those present will be Menno Corwin and family, Carl Hanson and George Hilton families. It's to be a surprise.

Mr. and Mrs. Henry Bradley and children spent Sunday in Petoskey visiting the former's mother.

Mary Schumann has accepted a position in the office of the Secretary of State in Lansing and began her duties there Monday. Ann Hanson, a former reporter for the Avalanche, has resumed the job.

Mrs. Harold McNeven was hostess to the Wednesday bridge club at her home last week for their party of the season. Mrs. Ernest Hoesli held high score and Mrs. Nikolai Schjotz was presented with the guest prize.

Stanley Stephan graduated tonight from the Pharmacy department of Ferris Institute, Big Rapids. His parents, Mr. and Mrs. Amos Hunter, Mrs. Ernest Borchers and Mrs. George Granger left this noon to be in attendance at the commencement exercises.

Mrs. Walter Cowell had a pleasant surprise Sunday, Mother's Day, when she was presented with a lovely cake weighing five pounds and a bouquet of flowers made up of snapdragons, carnations and roses. They were tokens from the employees of Paddy's Grill.

69 Years Ago
May 18, 1911

C.W. Miller of Lovells sent down a two-year old root of Mammoth clover Monday, which measured four feet in length, which he pulled from the AuSable Ranch Co.'s meadow, on the so-called plains. A prime crop was cut from the land last season, and promises better.

Miss Pansy Havens, who has been in Washington, D.C., for several years, has been enjoying a visit here for the past two weeks, with her father's family and friends, but it is a question whether her pleasure equals that of her friends here. She will remain about two weeks longer, and then goes to Colorado Springs, Colo., to take charge of the large hospital in that city.

The new Grayling hospital was dedicated Tuesday morning at 10 o'clock by Rev. Father Richter, bishop of the diocese of Grand Rapids. Bishop Richter was assisted by Rev. Father Caldwell, Rev. Father Reiss and Rev. Father Fredericks, and Rev. Father DeSette of Standish. In the afternoon at 3 o'clock the cornerstone of the building was laid by Rev. Father Robert W. Brown, of Grand Rapids, after which, on account of inclement weather, the assembly led by the Citizens Band marched to the opera house where addresses were made by R. Hanson, Dr. Curnalia of Roscommon and Father Brown of Grand Rapids. The building has been in use for the last month and already 10 patients are being treated. It was erected by subscriptions from men all over the county and was afterwards turned over to the Sisters of Mercy for their management, which insures its success.

The Bible Speaks

From Calvary Baptist Church

SAVE AND SURE
1 John 5:13

Many people do not realize that the Bible assures us we can know we are saved on our way to Heaven! "These things have I written unto you that believe on the name of the Son of God; That ye may know that ye have eternal life, and that ye may believe on the name of the Son of God." 1 John 5:13. It does not take any specific interpretation to understand, "That ye may know that ye have eternal life." In fact, it would take some strange interpretation and twisting of words in simple English to deny and cast doubt upon this precious promise in the Bible. The Bible was written to bring man to assurance of salvation, not to cause him to become doubtful and uncertain.

Notice that this full assurance of salvation comes from "These things...written unto you that believe on the name of the Son of God." Assurance of salvation comes from "these things written unto you that believe." "These things written" refer to the scriptures. "He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God." John 3:18. Jesus said, "He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life." John 5:24. Full assurance of salvation comes from faith in the promise of God's Word in the Bible.

Many people have a false assurance of salvation because they are trusting the wrong things. Many people are trusting their "feelings" to know they are saved. "Feelings" are based upon well being, and are deceiving. Salvation is based upon facts and is unchangeable. Some people are trusting good works for salvation. While salvation should produce good works, no good works can produce salvation. Ephesians 2:8-10. Many people are trusting baptism or church membership. All saved people should be baptized and join a good Bible believing

church, but being baptized and joining any church will not save you.

We have no problem finding the record of what these things are we must believe to know we have eternal life. "And this is the record, that God hath given to us eternal life, and this life is in his Son. He that hath the Son hath life and he that hath not the Son of God hath not life." 1 John 5:11, 12. We know we have the Son by receiving Him into our heart by faith, "But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name." John 1:12. Are you saved and sure by faith in the Son of God today? (adv.)

The Thursday Night Mixed Couples League, the "Chippers and Putters" has several openings for this seasons play. The team must consist of one female and one male member and must be members of the Grayling Country Club. There is a sign-up sheet posted at the Grayling Country Club or you may call Deanne Weiss at 348-9717. There will also be a sheet posted on the bulletin board at the club for anyone wishing to sub in the league, but again, they must be club members. On occasion there is need for just one sub for the team so if you do not have a partner and would like to sub, please sign up. The league tees off starting at 4 p.m. and ending at 6:10 p.m. on Thursday evenings with everyone encouraged to stay around for a while for a social hour and supper. League play will run from June 5 to August 28. The cost is the same as last season, \$15.00 per couple and is payable before the first night of play, June 5, to Bob Bovee. Someone will be at the club the first night of play to collect money, also.

News of Good Things Growing...

Michigan's citizens—young and old—will soon be celebrating Michigan Week (May 17-24). With all the "good things growing in Michigan" you, too, can join in the festivities by preparing all-Michigan menus for your family. In your tribute to Michigan's bountiful harvest each year, you can choose from nearly 50 agricultural crops grown in our state.

Michigan farmers received a record \$2.4 billion for their products in 1979, according to the Michigan Department of Agriculture. With the addition of transportation, processing and marketing, the value of Michigan's agricultural industry is more than \$12 billion, making it the state's second largest industry.

An endless number of delectable dishes can be prepared from our tremendous variety of agricultural products, such as chilled apple cider, tossed spring salad, glazed baked ham, crispy dinner rolls, milk and ice cream sundaes.

The tartness of chilled Michigan cider should stimulate your family's digestive juices, then whet their appetites even more with a tossed salad made from a variety of tender spring greens. Bake tender Michigan ham with a mixture of one cup of tasty Michigan honey and one-half cup Michigan cider about 30 minutes before cooking time is completed.

A tall cool glass of Michigan milk is great with any meal. Adults may want to select a Michigan wine from one of our state's 16 wineries which collectively bottle the sixth largest production in the nation.

Treat guests to a succulent beef sirloin tip or rump roast with all the trimmings. Boneless cuts are easy to prepare and leftovers make great lunchbox sandwiches. Beef goes well with most vegetables. Michigan potatoes are a natural accompaniment, whether baked, boiled, mashed or prepared in a special dish.

CARD OF THANKS

The Family of Ruby Annis would like to thank Mercy Hospital, the Doctors and nurses who took care of our mother, also Rev. Spencer, Rev. Bach for the special prayers, the American Legion for the luncheon. Also thank you to our friends & relatives for their kindness and concern.

The children of
Ruby Annis.

Friday Services For Thomas Jurkovich, 66

Thomas Jurkovich, age 66, died Wednesday, May 7, 1980 at Mercy Hospital. Services were held Friday, May 9, 1980 at 10:00 a.m. at St. Mary's Catholic Church with Rev. Thomas A. Neis officiating. Burial was in Elmwood Cemetery. Pallbearers were from Fr. Reiss Council, Knights of Columbus.

Mr. Jurkovich, a resident of Grayling for nineteen years, moving here from Marquette, was born January 31, 1914 in Virginia, Minnesota. Mr. Jurkovich had been employed as a maintenance worker for the Department of Corrections for the State of Michigan. He was a member of St. Mary's Catholic Church and the Fr. Reiss Council, Knights of Columbus.

Survivors include his wife, Frances; two daughters, Mrs. Dennis (Carlotta) Rochette and Mrs. Dale (Barbara) Nielson; four sons, Collin of Pendleton, S.C., Gary of Romulus, Mich., Mark and Michael; three brothers; a sister and 13 grandchildren.

Services Held For Ruby Annis, 82

Ruby Annis, 82, passed away Tuesday, May 6, 1980 at Grayling Mercy Hospital. Funeral services were held Friday at 2:30 p.m. May 9, 1980 at Sorenson Funeral Home with Rev. George Spencer officiating. Music was furnished by a sister-in-law, Jennie Annis. Interment was in Elmwood Cemetery, Grayling.

Mrs. Annis was born to Edgar and Ada Wilkinson on August 24, 1897 in Maple Forest, and was united in marriage to Alva Annis of Beaver Creek on January 1, 1922. Her husband preceded her in death several years ago.

Ruby was baptized and a member of the Michelson Memorial United Methodist Church, she loved music and played organ most of her life.

Survivors include one son, Alva (Robert) Annis, of Muskegon; two daughters, Mrs. Norman (Barbara) Johnson, Grayling and Mrs. Iris Bell of Bay City; 12 grandchildren, 23 great grandchildren and several nieces and nephews.

Pallbearers were her grandsons; Terry, Lee and Pat Johnson; Terry Durfee, Robert Annis and a cousin Danny King.

Final Rites For Agnes M. Hawkins

Agnes Mary Hawkins, age 77, died Sunday, May 4, 1980 at Mercy Hospital. A Memorial Service was held on Friday, May 9, 1980 at 1:00 p.m. at Michelson Memorial United Methodist Church with Rev. George Spencer officiating.

Mrs. Hawkins, a resident of Grayling for 24 years, moving here from Lansing, was born in Mancelona on July 8, 1902.

She is survived by her son, Orrin of Lansing; two daughters, Shirley Hatt of New Haven, Missouri and Mary Lou Felgenhauer of Grayling; 2 brothers; 4 sisters; 13 grandchildren and 14 great grandchildren. She was preceded in death by her husband, Leo Rex.

evened his record at 1-1 with an opening game, 7-4 win over Petoskey on the home diamond Thursday, but the Northmen bounced back to gain a split in the nightcap, 8-1.

Grayling sent four runs across the plate in the 4th inning to give Trenary the lead after Petoskey had taken a 1-0 lead in the third. After the Northmen scored two in the 6th to close the gap to 5-3, the Vikes added a pair in the bottom of the inning to boost the lead to 7-3. A solo homer by Petoskey in the 7th closed out the scoring.

Perry D'Amour took the mound in the second game loss to Petoskey and absorbed the loss.

The Vikes hosted Kalkaska Wednesday and posted a come-from-behind 12-7 win behind Jerry Lucksted, who ran his record to 2-0. Bill Lucksted and George Bindschatel cracked two-run homers apiece in the 4th and 5th innings to pace the non-league victory.

Grayling traveled to Charlevoix Monday but lost both ends of a twinbill, dropping the opener, 4-0 on a 2-hitter by Red Rayder chucker Loper, who fanned 13. Charlevoix made it a clean sweep in the nightcap with a 12-2 pasting of the Vikes. Perry D'Amour and Jay Schrader were losing pitchers for Grayling.

Coach Wolcott said the Vikings are "starting to play pretty good baseball now." "Our pitching is coming around and we're starting to execute well," he said.

Perry D'Amour leads the Vikes in hitting with a lusty .466 average. Five other Vikes are over the .300 mark, including Trenary, Scott Hale, Ted Methner, Bill Lucksted, who has also banged a pair of homers, and John Juntilla.

The Vikes entertain Onaway Wednesday and hit the league trail Thursday with a double-header at Cheboygan.

Balloons Away

On Friday, the 18th of April, the second grade classes let balloons go at the football field. McDonald's furnished the balloons for us. We got the idea from our reading book "One to Grow On." It is a reading project. We did it to see how far they would go. This is where the balloons have landed so far and the students who launched them: Paul Kolka heard from Alger, Mi; Becky Harcourt, Old Castle, Ontario, Canada; Patti Chapp, Vermilion, Ohio; Mike Thompson, Sterling, Mi.; Casey Goeckerman, Imlay City; Allen Yarbrough, Clifford, Mi; and Julia Krietner, Bowling Green University, Ohio. Written by Jennifer Naour and Hannah Peterson, second grade.

Hospital Auxiliary

The Mercy Hospital Auxiliary wishes to make a retraction, the tasty refreshments for May 8th meeting were not furnished by the St. Mary's Parish, but by three gracious Auxiliarians.

Ladies don't forget to stop in to Mr. Witters office for the slips on the "Radio Auction". We need the help of all the Ladies on this project.

Many thanks to Mr. Witter and his staff, Carol & Glennia for all the help they have given us.

We have until May 23rd to return all slips to Mr. Witters office for the purpose of advertising.

Salvation Army Aids Forest Fire Workers

The Salvation Army Emergency Service crews from Saginaw, under the direction of Captain Donald Hickey, aided the fire-fighters at the recent forest fires in the Ogemaw and Oscoda area fires.

Hundreds of fire-fighters were served as the fire roared over 25,000 acres of prime forest land.

Hot soup, sandwiches, donuts, coffee & cold soda pop were given the workers during the hours they were in the fields fighting the fire. The Forest Service Officers were very appreciative for this service.

THE WINNERS!—The Cub Scout Fathers beat the Deputy Sheriff's Association, 50-38, but the real winners in a big benefit basketball game held last Wednesday night were cub scouts from Pack No. 3993. The game netted close to \$1,000 to be used for scout activities and was a "fun for all" night for the estimated 750 scouts and fans who witnessed the contest. Dozens of door prizes were awarded, including two \$50 grocery certificates.

Here are the Cub Scout Fathers accepting their trophy from Dick Baker (dark shirt), front row (left to right): Duane Cory, Steve Houlton, Howard Lehti, Bill Ellingboe, Fred Allen. Back row (left to right): Wayne Casler, Fred Wolcott, Jack Hull, Dave Sabin, Baker, John Millikin, Ross Argue and Mark Cook.

The Scout Fathers were led to victory through the robust enthusiasm of their "cheerleading squad" and guest appearance by Grayling's own "Cocky Rocky." (Joe Schrader photo)

National Reye's Syndrome Foundation

Article 2
Lillian Wolf-Director

This is a second in my series on Reye's Syndrome. This article will be devoted mainly to explaining what RS is.

It is a disease of unknown cause at this time. It attacks primarily healthy children under the age of 18, although there are reported cases in adults up to 56 years of age. It usually follows a viral illness such as chicken pox, flu, etc. It is a disease that mainly attacks the liver and brain, but also effects the other organs of the body

such as; the muscles, kidneys, and lungs.

RS can no longer be considered rare. It is called a syndrome because it is a collection of certain symptoms and signs, rather than a specific disease. The actual disease process is unknown and may have more than one cause. It is thought that several factors may interact and result in RS. The factors presently under consideration are genetic, environmental, and the various viruses which have been associated with the syndrome. Also they are investigating links to RS

from the use of fertilizers, sprays, insecticides, or pesticides.

At the present time there is no known cure for RS. Treatment usually requires hospitalization in an intensive care unit with preferably a team of Reye's doctors. Current supportive therapy is the only treatment at this time, along with the use of certain drugs to minimize brain swelling. Proper and immediate diagnosis as in any major illness, is the biggest factor in survival. My next insert will be on what to do when RS is suggested in the child.

Volunteers Are Special

Once again this year, there have been many "special" people involved in the Volunteer Aide Program at the Crawford AuSable schools. The volunteers have spent many hours this year giving their time and talent helping out in the schools.

In appreciation, there will be a luncheon on May 22nd at the Chief Shoppenagon's Hotel to recognize all the volunteers for their sincere interest in rendering service, their sense of responsibility and dependability, and for their personality traits of tact, patience, understanding, kindness, warmth and sense of humor.

The "special" people who were involved this year are: Alice Moore, Oliver Kesti, JoAnn Methner, Loretta Ross, Tillie Paulsen, Margaret Douglas, Peggy Speich, Mary Klinefelt, Shirley Holcomb, Dorothy Witter and Corrine Cavanaugh.

Also Jackie Parker, Shirlee Phillips, Sallie Granger, Ruby Peterson, Greta Moore, Janice Bidwell, Darlene Jensen, Mary Phelps, Jeanne Harwood, Linda Brooks, Doris Birtcher, Donna Thomson, Lori Palmer and Ray Butler.

Also Angela Kirkum, Nancy Kortes, Edris Sorenson, Thelma Hunter, Ann Doten, Pam Cowie, Lenora Beckett, Gayla Lord, Mary Lou Goss, Jan Reynolds, Linda Borgondy, Donna Carmean, Ruth Ghames, Ruth Fairbotham, Peggy Robinson, Hazel Koernke, Meredith Mitchell, Rose Ann Owens and Penny Marsh.

Japanese really love to work

RICHARD MILLIMAN

AH, THOSE Japanese. Wily folk, they. I see by the paper (in an Associated Press article) that many Japanese workers don't want to take vacation time, even when they have it coming. Japanese companies are having trouble convincing their workers to take off all their vacation time, the article claims.

AP cites Japanese Labor Ministry figures showing that salaried workers in Japan use only about 60 percent of their paid vacation time each year. Unused vacation time is held over for one year, and then lost if not taken.

Workers in the highly competitive electronics industry don't like to take time off either. A survey by the 520,000-member Federation of Electric Workers' Unions in Japan reported that workers use only an average of 8.6 of their average 28.3 days of entitled paid vacation.

HOW COME the distaste for taking vacations in Japan? Three reasons were cited in the AP article.

First is that workers feel vacations cause hardships for fellow workers; how about that for a refreshing attitude?

Next is the feeling that the vacationer will have piled-up work when he returns, so he'd just rather not go at all. Sounds like home.

And finally is what could be the clinching reason: It costs too much.

Kazuyoshi Koshiro, a labor economics professor, said that many workers find the cost of tourism throughout a full vacation period just too high, so they would rather go back to the job than sit at home in cramped living quarters.

PROF. KOSHIRO also sounded another refreshing note—refreshing at least to many employers here in America who are preoccupied with keeping employees satisfied and happy so they will be productive.

"Most Japanese workers feel their own fate is tied to that of the company," Prof. Koshiro said.

"They think working hard to help the company succeed is the path to their own success."

This is true in American commerce, so it is probably true in Japan, too.

However, it seems that all too many employees feel they can be well-paid and with good jobs regardless of whether their company succeeds.

All too many employees display the attitude that their main goal on the job is to do as little as possible to get by, without any real concern for the success of the total enterprise that provides their wages. This sad attitude is not universal, of course, but we've all seen enough of this self-defeating approach to the job so we know it's not an exception.

In my book, the Japanese have the right idea on work attitudes, as cited by the AP news story and Prof. Koshiro.

Maybe that's one of the reasons the Japanese economy has boomed so greatly in the last few decades. Just recall that Japan was a flattened country when World War II ended.

Attitude of workers undoubtedly is a key role in Japan's comeback.

KEEP IN MIND the date of May 11. That's the day for national celebration across our country.

What's so significant about May 11? It's Tax Freedom Day. That's the day when the average worker's total income so far this year would pay all his 1980 taxes, according to the National Tax Foundation. After May 11, he's working for himself, not the government.

It takes longer this year to pay your taxes, too. Last year, Tax Freedom Day came on May 8.

SOME CLOSING Nuts & Jolts from Hod Shewell:

—If you're not convinced inflation is driving this country down the drain, just hire a plumber to unclog one.

—Heard a Republican campaigner claim that Mr. Carter's political tune is being played on a lyre.

—They've come up with a fertilizer this spring that will make the stakes grow faster than the tomatoes.

—Diogenes landed in Washington the other day, and someone stole his lamp.

—A successful cruise captain usually runs a tight ship.

DAWN PATROL—Eighty-three aircraft, all shapes, sizes and description, flew into Grayling's McNamara Field Sunday to participate in Kirtland Community College's 4th Annual Dawn Patrol. Shown here is BABY GREAT LAKES, a one-seater biplane flown in by Robert Baringer of Midland. In between servings of pancakes, guests took advantage of ideal weather conditions to "take to the air" on plane and helicopter jaunts over Grayling which were available throughout the day.

A 64-year old pilot won the "oldest" award for the day, youngest was 21 years old. Longest trip was made by a pilot who flew in to join in the fun from Cleveland, Ohio. (Joe Schrader photo)

Frederic Satellite

Fifty three Frederic Senior Citizens plus 10 staff and program persons gathered at the Frederic School on May 2nd for a 1:00 p.m. roast beef dinner, prepared by the Center, followed by a program of songs, a skit by Gilbert Puffer, and a dialogue of the Homemaker Program. Joyce Hankins, Coordinator and Sue Louchart and Edna Babbitt, Homemakers, explained the program and the services provided. Mac Hadley, Mr. and Mrs. Louis Konvicka and Roy Newberry responded with the real value of the program to the client.

The 50-50 drawing was won by Laura McLeod. The fruit basket won by Elias Martin and Walter Desnoyer won the begonia plant.

Eva Desnoyer and Rose Sayles were the hostesses. Roy Newberry gave the invocation. Elroy Barber celebrated his "39" birthday.

Happy to see Eva Hulbert getting around on crutches now.

The next meeting will be June 6th at 1:00 p.m. at the Frederic School. We are looking forward to seeing you all there June 6th. Lora Gould

Women's Assn. To Meet

The Roscommon Area Branch of the American Association of University Women will honor their retiring president and entertain their guests at their annual May Dinner Meeting on Thursday, May 15 at the Birch Pointe Country Club of St. Helen at 6:30 p.m. Retiring president Charlotte McDaniel of Alger will transfer the gavel to the newly elected president Carol Shaw of West Branch. Other officers elected for a two year term at the Annual Meeting were First Vice President Marge Mellock of West Branch and Secretary Nola Fetting of West Branch.

The program for the evening will be Ruth Lovejoy Grutch of Grayling who will share some of her experiences from the land "down-under"—Australia and New Zealand.

Though this is the last regular meeting of AAUW for the current year, the Used Book Sale on the lawn of the Roscommon Middle School will be an event of July 12. Used books are always welcome and everyone is asked to mark this important date to secure the new and unusual in Used Books.

District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court last week: James McCormick, Adamsville, Tennessee, demanded preliminary examination on a charge of carrying a concealed weapon. The 12-day period was waived and a \$2,000 cash/surety bond was set.

Omiros Mistakidis, 24, St. Ignace, pled guilty to a charge of unlawful use of marijuana and was fined \$205 or 30 days in jail.

After preliminary hearing, charges against Robert Leroy Beene, 43, Frederic, of assault with intent to do great bodily harm less than murder were dismissed by the court due to insufficient evidence.

Clarence A. Letts, 43, Roscommon, demanded preliminary examination on a charge of uttering and publishing a NSF check over \$50. The 12-day period was waived and a \$1,000 personal bond set.

Vikingland Happenings

by Joelyn LaChappelle and Jane Stamm

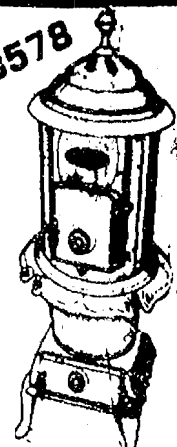

On June 10th, some of the spanish students at the high school will be flying out of Chicago to Mexico. This is the first year the Spanish Department has sent a group to Mexico and it looks to be very exciting. The 7 day trip will include a look at the capital, Mexico City, The Museum of Anthropology, The Pyramids of Teotihuacca, a trip to Taxco (the great silver town), a couple days in Acapulco, and lots more excitement. There are approximately twenty students going and they will travel from city to city by bus. Mrs. Nancy Lemmen, the spanish teacher will also be going, as will two other chaperones. The trip looks to be very exciting and the students are eagerly looking forward to it.

Awarded Degree

Clay Horton, son of Mrs. Rose Horton, was awarded a B.S. degree in Interpersonal and Public Communication with a minor in Psychology at Central Michigan University's Perry Short Stadium on Saturday afternoon, May 10, 1980. The degree was awarded Cum Laude. He was also a member of Phi Kappa Phi, honorary fraternity. Attending the ceremonies besides his mother was his sister, Mrs. Lorraine Lawrence, also of Grayling. A family dinner was held following the ceremonies.

Earns BS Degree

Penny Winslow, daughter of Mr. and Mrs. Robert Winslow, was awarded a B.S. degree in Education with majors in Psychology and Political Science, at ceremonies held at Central Michigan University's Perry Short Stadium on Saturday, May 10, 1980, at 2:30 in the afternoon. Penny will be going on to Miami University for the summer where she will begin her Master's degree program in Education and Counseling and Guidance. Attending the graduation were her parents and her sister and husband, Mr. and Mrs. Joseph Fleagle, of Chicago Ridge, Ill. Penny had roomed in a private home and following graduation, the landlady held a reception for the seniors at the house.

TALKS ABOUT BIRDS—Wednesday, April 30, a man named Mr. George Wallace came to Grayling Elementary School to talk with Mrs. McEvers' two science classes about birds. He told us how to attract birds by putting out feeders, houses, water, and food. The kinds of food can be suet, sunflower seeds, and cracked corn. All birds need protection, Mr. Wallace said. Put out trees, brush, and bushes. They help protect birds. Mr. Wallace told us some of their enemies are squirrels, chipmunks, and some snakes. Mr. Wallace has been studying birds about sixty years. Written by Jeff Wolcott and Wanda Millikin, fourth grade. (Fay Bovee Photo)

HOW TO PLANT SEEDLINGS—On Friday, May 2, 1980, Mrs. Bovee's and Mrs. McEvers' science class had a special science program. Mrs. Jewell from the D.N.R. came and showed our classes how to plant seedlings. She came because both classes have a Nature Center behind the elementary school. Shown above is Mrs. Jewell and she is drawing a seedling. Thank you, Mrs. Jewell! Written by Anita Reddy, fourth grade (Pat Nunn Photo)

JUNIOR DEPUTY—All of the fourth grade classes went to Junior Deputy last week. Mr. Goss told us about motorcycle safety. He showed us some swimming equipment and answered our questions. The people in the picture are Steve Belcher and Jessie Riness. Written by Twiana Dixon and Heather Derenz, fourth grade (Fay Bovee Photo)

Senior Citizen Homemaker Service

We have 7 new home-bound clients that are receiving Homemaker services this month. These people are home-bound due to temporary conditions, such as, illness, injury, arthritis or other handicaps. These Senior Citizens are unable to perform routine daily tasks, such as light housekeeping chores, grocery shopping, driving themselves to the doctor and having their prescriptions filled. Some of these people are so isolated that many times the only contact they have with the outside world is their Friendly Visitor, Telephone Reassurance Caller, or their Homemaker. The dedication of these truly remarkable people is rewarded by the lit up expression on these home-bound faces when they enter their homes. You need only be 60 years of age or older and have a health problem that prevents you from doing these homemaker chores. There is no charge for this service, however, if you can afford to pay, we do accept donations. This allows us to do more services for more people.

If you know of someone recently released from the hospital, someone who is unable to perform these routine daily chores for themselves, for whatever reason, call the Senior Citizen Center, 348-9314. Also, if you or someone you know has a few hours a week to help provide these services, we need you. Volunteers will receive \$1.50 per hour and 18½ cents per mile. For more information about Homemakers, to refer a client, or to volunteer your services, please call me here at the Senior Citizen Center.

4-H and You

The youth of Crawford County has a wealth of learning experience available to them by participating in a 4-H Club.

Currently organized in our community are some very diversified Clubs: Rocket Club; Arts and Crafts Club; Arts and Crafts and General Everything Club in Frederic; Leader Dog for the Blind Club; Softball for Little 4-Hers; Modeling and Make-up Club; as well as a Kitten and Cats Club; Horse Club, whose members will be participating in the local parades this summer; Rabbits and Chickens Club; and a Swimming Club.

There are also a number of young people who would like to start a Cooking Club, but they need a leader.

If you would be interested in this or any of the above mentioned Clubs, please call the Cooperative Extension Service, Youth Programs, at 348-5123.

Strolling Around Town

By Fay Bovee

A very long stroll the other afternoon took me out to the side of the former Bear Archery building where a major clean-up is underway. The painters have repainted the building, including the smokestack. The yard man has been trimming and raking and a new sign proclaiming the site of the M-72 Industrial Plaza has been erected. A nice job!

The interior of the Grayling Mercantile has also been remodeled in order to display merchandise more attractively. The fire hydrant and signpost at the Grayling State Bank are bright with a new coat of paint. Saturday looked like clean-up day at the Michelson Memorial Church with a crew doing yard work and what appeared to be a new birch tree sprouting in the side lawn. It was first seen in Tom Robertson's truck so we assume he is doing it.

There also seems to be a lot of activity in local gardens with some of the female population enjoying their new Troy-built rototillers.

The Mental Health Center has moved to the Sandy Thompson building on Ingham Street.

Middle School Girls' Track Team Wins

The Grayling Middle School Girls' Track Team continued to show excellence as they defeated Gaylord, Inland Lakes and St. Ignace in a quad-meet on Wednesday, May 7th. Grayling had 88 points, Gaylord 53, Inland Lakes 16 and St. Ignace 5.

The girls have yet to be defeated this year. Jean Bitner again broke her own high jump and 100 yard low hurdles records.

In the shot put Lisa LaMotte placed third with LeeAnn Lovell coming in fourth; long jump—1st Dawn Weatherly, with Melissa McEvers second and Stacy Robinson finishing fourth. Winning the high jump was Jean Bitner.

Stacy Wolcott won the 2 mile run with Lisa Solomonson taking third. In the 60 yard hurdles first went to Jean Bitner with Lisa Solomonson placing third and Dawn Hawley and Paula Solomonson tied for fourth.

Gina Medley, Erin Jones, Stacy Robinson and Shari Chapin teamed together to win the 880 yard relay. In the 880 yard run Jodie Christman was the winner with third place going to Stacy Robinson.

Karyn Reynolds copped the Mile Run. In the 100 yard dash, first went to Dawn Weatherly and in the 440 yard dash—Jodie Christman took first with Gina Medley coming in third.

Coming in second in the 100 yard low hurdles was Jean Bitner with Paula Solomonson taking fourth. Dawn Sheldon and Melissa McEvers finished second and third respectively in the 75 yard run. Dawn Weatherly was the winner of the 220 yard run with second place going to Stacy Robinson.

The teams of Stacy Wolcott, Diann Munsey, Shari Chapin and Karyn Reynolds finished first in the Mile Relay and Melissa McEvers, LeeAnn Lovell, Dawn Sheldon and Lisa LaMotte won the 440 Relay.

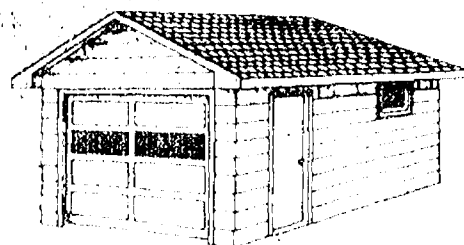

Spring Piano Recital Held

Millikin-Pearl Exchange Vows

On April 26, 1980 at 2 o'clock in the afternoon, Mollyann Milliken became the bride of Michael Pearl, at the home of the bride's parents, Mr. and Mrs. Donald Millikin.

The bridegroom's parents are Carol Pearl and Kendall Pearl, both of Grand Ledge, Michigan.

Mrs. Robert Madsen, the bride's sister and John Pearl, brother of the groom, attended the couple.

A reception followed the ceremony.

Sweet Adelines Activities

On Friday morning, May 2nd, a chartered bus picked up Sweet Adelines in Grayling, Roscommon, and Prudenville to journey to the Sweet Adeline Regional Convention held in London, Ontario. A super time was had by all and the Mid-Mitten Chorus came home with the MARDI GRAS Trophy in the chorus competition. This is a special award which choruses with 30 or less members compete for. We were thrilled to score highest in this group and come back with this award.

Macomb County Chapter were the winners in the chorus competition. The new "Queens of Harmony" Quartet is the "Foreign Affair", with members coming from the Windsor and S.O.C. (South Oakland County) Chapters.

On Saturday evening, after competition and dinner at the GARAGE, the chapter held their own "Nervous Novice" Quartet competition. Four, most unusual, quartets competed with the winners being the "Greasy Sha Na Na" Quartet with members Carol Bungy, Opal Phillips, Gail Gardner, and Paula Youngberg. When the unusual awards were being presented most of the participants wanted to withdraw!!! If the Gong Show ever runs out of talent...I know some girls who are ready!

On Wednesday, May 7th, the chorus had pictures taken and practiced for a singout on Tuesday, May 13th, at the Congregational Church in Roscommon.

Birdhike on May 17

A Birdhike will be held May 17, at North Higgins State Park. Spring migration should be at the peak and many species should be seen and heard.

Anyone interested is invited to meet at the Interpretive Parking Lot on May 17th, Saturday at 8 a.m.

Now What, Citizens?

Isn't it time we stood on our hind legs and told the U.S. Forest Service and D.N.R. what we think of them.

Such a horrible waste in Oscoda County! At least it was publicized.

A smaller fire (controlled burn), last year, destroyed a very expensive piece of equipment. Sh-sh-sh-Taxpayers aren't supposed to know about that.

Who do you think is paying for lost homes, equipment, plus wages for D.N.R. firemen and much more? Insurance premiums must be astronomical.

The government pays? Really? My, My. And all for the sake of nesting areas for the Kirtland Warblers.

What about all the animals that lost their lives and homes? Was going to say, I'm sorry to have let off a bit of steam, but I'm not.

Always believed Michigan was a beautiful state-but man oh man, we are letting it go down the drain.

Appreciated your Editorial, last week, (May 1) Whitey. Full steam ahead!

Mrs. John Campau

Your Week Ahead Horoscope

Forecast Period: 5/18 - 5/24/80

ARIES Mar. 21-Apr. 19	An opportunity appears wherein you can add to your income, and also help another out of a tight spot.

PISCES Feb. 19-Mar. 20	The neighborhood has a bit of excitement that stirs you to action. Your quick thinking averts a clash.

To Offer Baby Sitting Class

The Parish of Saint Francis' Episcopal Church is pleased to announce that it will be sponsoring a Baby Sitting Class, offered as a community service and at no charge to participants. It will be open to all students 12 years of age or older and will consist of 4 sessions, the first of which will be held on Thursday, May 15th.

Mr. Tony Doremire, EMT Instructor, will speak on May 15, discussing emergency and first aid. Mrs. Colleen VanNuck, R.N., a Child Care Nurse employed at Mercy Hospital, will offer basic Child Care on May 22nd, and Sheriff Joe White will speak on Fire and Safety on May 29th. The last session on June 5th will be a discussion by a panel of 4 mothers who have children of an age requiring a Baby-Sitter.

The classes will be held at Saint Francis' Episcopal Church beginning at 7:00 p.m. and will last approximately one hour. Since this is not a licen-

sed program, the student may not be endorsed by the church as a babysitter. However, if all four classes are attended, the student will have his name and phone number published in the Avalanche, stating that he has attended all classes. It is felt that with this kind of exposure, the student will have a real chance at some Baby Sitting jobs.

Anyone interested is asked to pre-register by phoning one of the following people: Laura Dawson, 348-5000; Carmel Harrington, 348-2080; or Judy Woodland, 348-5574.

Again, the classes will begin on Thursday, May 15th at 7:00 p.m. at Saint Francis' Episcopal Church, and will run for four consecutive Thursdays. Don't miss this opportunity!

"SWISS BANK ACCOUNT"™

You asked for it ... our new service designed from recommendations made by hundreds of customers in our 1980 survey!

Just for you ... automatic transfer of funds

in a **combination** savings and checking account under a **single account number**. Lets your deposits earn daily interest at 5 1/4 % per annum until needed to pay your checks.

Interest is earned on the savings balance regardless of amount, and no limit on amount deposited to account.

Entire balance can be withdrawn from anywhere in the world by writing a check which causes an automatic transfer from the savings portion into the checking.

And ... it's service-charge free if you maintain a minimum balance of \$1,750 in the savings portion where it earns 5 1/4 % daily interest paid monthly ... if not, the Gaylord "Swiss Bank Account"™ is just \$3.00 per month plus 15¢ per check and regardless of the amount in the savings portion, you'll earn 5 1/4 % daily.

Other features will be added to the Gaylord "Swiss Bank Account"™ as time goes on and remember your deposits are always insured to \$100,000 by the Federal Deposit Insurance Corporation.

Open your Gaylord "Swiss Bank Account"™ at any of our five offices — We planned this new service just for you!

Youth Golf Classic June 12-13 at Gaylord

The 1980 Insurance Youth Golf Classic, sponsored by the Independent Insurance Agents of Northern Michigan, is scheduled for June 12 & 13, at Gaylord Country Club in Gaylord. According to Robert P. McNamara, the 18-hole local qualifying event, open to boys and girls who will not reach their 18th birthday before August 1, 1980, will be one of more than 400 similar tournaments to be held nationwide. The 1980 National Insurance Youth Classic will be held August 8-12, at Yale University New Haven, Connecticut.

Entry deadline for the Northern Michigan tournament is June 2, and will be limited to a field of 144 junior golfers. Any boy or girl amateur golfer, who will not reach their 18th birthday before August 1, 1980, may obtain an official entry form from any local Independent Agent. A buffet luncheon will be served to the teenage golfers upon completion of their play.

Academy of Art Mini Exhibition at Kirtland

Kirtland Community College, in cooperation with the Cranbrook Academy of Art, is sponsoring The Design in Michigan Mini Exhibition, May 2 thru May 21 in the Learning Materials Center (library) on campus.

The Design in Michigan Mini Exhibition presents a survey of Michigan's significant design accomplishments. The examples are drawn from Michigan's uniquely rich design heritage and from contemporary instances of excellence in architecture, landscape architecture and planning, interior design, industrial design, and visual communication.

The exhibit was developed through the combined efforts of the Cranbrook Design Dept. and the Environmental Arts Panel of the Michigan Council for the Arts. Through a process of juried selection, designs were chosen which were compatible with their surroundings and human needs, efficient in their use of resources, informative to people, and responsive to social and technological change.

Design Michigan is a program sponsored by the Cranbrook Academy of Arts and funded through grants from the Michigan Council for the Arts and the National Endowment for the Arts.

The Program seeks to better life in Michigan by improving design awareness and by promoting informed design decisions through educational programs and materials, exhibitions, conferences and workshops, research projects, and a recognition of Michigan's professional design resources.

The exhibit will be on display the following hours:

May 2-May 16—Monday thru Thursday 8:30 a.m. to 5:30 p.m.
Friday 1:30 a.m. to 4:30 p.m.,
Sunday 1:00 p.m. to 5:00 p.m.
May 19-21—Monday thru Friday 8:30 a.m. to 4:30 p.m.

Admission to the exhibit is free. All members of the surrounding community are cordially invited to attend.

Completes Naval Training

Navy Seaman Thomas J. Koviak, son of Louis and Marion Oles of Roscommon, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1978 graduate of Gerrish-Higgins High School, he joined the Navy in January 1980.

Default having been made in the terms and conditions of a certain mortgage made by Solomon Schick (AKA, Al Schick) of 29200 Van Dyke, Warren, Michigan 48089, Mortgagee, to the Grayling State Bank, a Michigan Corporation of Grayling, Michigan 49738, Mortgagee, dated January 30, 1979 and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan, on the 16th day of May, 1979, in Liber 177 of Crawford County Register on page 576, on which mortgage there claims to be due at the date of this notice for principal and interest, the sum of Nine Thousand Thirty Dollars and 90/100 (\$9,030.90).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan, in such case made and provided, notice is hereby given that on June 11, 1980 at 10:15 o'clock, in the forenoon, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at 10.5% per cent, per annum and all legal costs, charges and expenses, including the Attorney fees allowed by law, and also any sum or sums including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows:

All that certain piece or parcel of land situated in the Township of Grayling, in the County of Crawford and State of Michigan, described as follows, to-wit: Parcel No. 50, more particularly described as: Commencing at the South ¼ corner of Section 11, Town 26 North, Range 2 West, thence North 89°33' minutes 30 seconds East 330.1 feet, thence North 43°01' minutes East 114.0 feet to the P.O.B.; thence North 0°12' minutes 30 seconds East 1237.85 feet, thence South 89°38' minutes 30 seconds East 330.1 feet, thence South 7°01' minutes East 967.35 feet, thence South 58°39' minutes 30 seconds West 530.0 feet to the P.O.B., being a part of the Southwest ¼ of Sec. 11, T. 26 N. R. 2 W., Grayling Township, Crawford County, Michigan.

The redemption period shall be six months from the date of such sale.

Dated: April 24, 1980.

Around the World With Steve Rison

EDITORS NOTE—This is part one in a three part series covering Steve Rison's "Trip around the World".

Dear Friends:
Although only a couple of months have elapsed since I first wrote it seems like many more. I have covered so much territory and have had my sensitivities attacked so extensively I can hardly believe that I was in Australia only in February.

My first taste of Asia came as I stepped off the plane in Bali, Indonesia and although somewhat westernized in the main tourist areas there was no question that I was commencing upon a totally different cultural experience.

Fields of meticulously manicured rice paddies interspersed with groves of coconut palms and other tropical vegetation presented beautiful vistas of every shade of green imaginable. Kerosene lamps provided the light in the houses which were thatched huts or brick depending on the area. The small lanes were always filled with people transporting incredibly huge loads of water, rice, wood or whatever on their heads!

Toilet paper (must carry your own) was not to be seen again until Malaysia—suffice a place to set your feet and a hole in the floor. Most people professed a Balinese form of Hinduism which was evidenced by small and large temples scattered around the countryside. On the negative side are the thousands of motorbikes, bemos (small Datsun type pickups with seats on the back for passengers) and other asundry traffic which turns the otherwise relatively peaceful countryside into a sometime deafening racetrack. After a week in Bali, I moved on to Java, the most populated of the Indonesian islands.

Although I met many fine people, I was invited to spend a few days with a Javanese family, I found the traveling there hard and hot. I experienced 2 horrific train trips (wooden seats, tropical temperatures with little ventilation) one lasting 22 hours and one going on for a day and a half—even collided with a car killing 2 and sending 5 others to the hospital.

The cities of Java were big and noisy and dirty especially Jakarta, the capital, where the combination of air (exhaust) pollution and stench from open sewers made me ill simply

walking on the street. I spent 3 days there waiting for a ship to take me halfway up the west coast of Sumatra, the largest and my favorite Indonesia island. My ideas of taking a bus through the southern Sumatra jungles were quickly readjusted after hearing from other travelers that they had been stuck in the mud for 3 or 4 days.

The travel by ship, 3 days duration, was pretty basic (horrible food—I ate only fruits I bought ahead of time). The voyage was also calm as we remained within sight of the coast. I was the only non-Indonesian on board, befriended by many who wanted to practice their English and offered many invitations to visit different families in various parts of Sumatra. I decided to follow up on one of the invites and went to a remote mountain village called Ampulu, a village of the Minangkabau people having a particularly rewarding experience as I was the first white person to ever visit the village and thus treated as a most honored guest. I went swimming in the river with the native boys, sat under a thatched shelter in the rice paddy till a storm let up and spent the early evening talking, through my host interpreter, with the men of the village, at the "warung" (restaurant/meeting place) about myself and life in America. I later returned to my host's home to find many children watching a portable T.V. (battery powered—no electricity) showing an episode of "Happy Days" no less. The program, telecast in English, preceded by an Indonesian synopsis, seemed to be a favorite. Needless to say the whole scene flipped me out. When I left in the morning it seemed like everyone was there to say good-bye and load me down with coconut, pineapple and mangos as tokens of their appreciation of my visit.

Promoted To Airman

Dayton, Ohio—Calvin D. Jones, son of Virginia M. Jones of Grayling, has received his first promotion in the U.S. Air Force.

Jones, promoted to airman, is assigned at Wright-Patterson Air Force Base, here, as an X-Ray technician.

He is a 1979 graduate of Grayling High School.

Road Commission Minutes

April 25, 1980

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Richter presiding. Present were: Chairman Ervin Richter, Commissioners Grover Cason and Gloria Kraus, Manager Charles Fox and Secretary Lorna Bernard. Absent: Engineer Ron Herneke.

The minutes of the last regular meeting were read. Commissioner Kraus made a motion to accept the minutes with corrections, seconded by Commissioner Cason. Yea's: Commissioner's Cason, Kraus, and Richter. Nay's: None.

Voucher Number Nine for Payroll Number Nine was presented to the Board in the amount of \$25,447.09, voucher signed.

A voucher for Ken Schaaf Builders was discussed by the Board in the amount of \$14,070., the Board approved the payment.

The bids for the used equipment were opened at this time. There was one bid and it was for the 1974 Oldsmobile in the amount of \$130. Chairman Richter made a motion to reject the bid, seconded by Commissioner Kraus. All voted in favor, bid rejected.

The bids for the trucks were discussed at this time. Chairman Richter made a motion to accept the bid from Bay Truck Sales for two GMC tandem trucks in the amount of \$56,647., plus \$624. for extended frames.

A motion was made by Chairman Richter and seconded by Commissioner Kraus that the bid for the seal coating of Lovells Road was awarded to Yockey Construction in the amount of \$11,985. All voted in favor. Motion carried.

A motion was made by Commissioner Kraus and seconded by Commissioner Cason that the bid for the stockpiling of aggregate for the seal coating was awarded to Jack Millikin for 2400 ton for \$10,490 or the alternate bid (we pick up) in the amount of \$5,400. The option to be determined at a later date. All voted in favor. Motion carried.

The repair of the steel storage building was discussed and Manager Fox was instructed to get a close estimate as to the cost of the repair. Bernie Fowler, Grayling Township Supervisor, appeared before the Board to discuss the HUD Grant for the roads within the Township. The Board has budgeted to the City of Grayling \$20,000 in matching funds for local road construction in 1980 for Grayling Township. These funds will be used on Staley Lake Road.

Grayling Township also requested that the 1980-82 HUD money be spent in Brinks Park. The Road Commission agreed. Supervisor Fowler also requested funds from the Road Commission in 1981-82 to be also used in Brinks Park. No action was taken on the request for 1981-82 Road Commission funds.

The Board also discussed surveying all of Staley Lake Road. Further discussion will be held.

The Board recessed for lunch and upon returning to the office discussed the storm sewer that is to be installed on Lawndale Avenue. Commissioner Cason made a motion to agree to pay \$6,832 to the City of Grayling to have the storm sewer installed to the north property line of the Road Commission. Seconded by Commissioner Kraus. Yea's: Commissioners Cason, Kraus, and Richter. Nay's: None.

Omar D. Lee from Conrad Klooster, Inc. appeared before the Board to discuss the bid for the motor grader because his bid did not come up to specifications. After a discussion Commissioner Cason made a motion to accept the next lowest bid and award it to A.I.S. Construction for a 740 Champion with two trade-ins of County Equipment No. 55 and No. 54 in the amount of \$55,524 with an extra defrosting fan for \$50.55, seconded by Commissioner Kraus. Yea's: Commissioners Cason, Kraus, and Richter. Nay's: None.

Manager Fox discussed the repair of North Down River Road and told the Board that a back hoe would be needed for the repairs. The Board authorized Manager Fox to rent the back hoe.

The Board instructed Manager Fox to prepare the bids for blades for the new trucks.

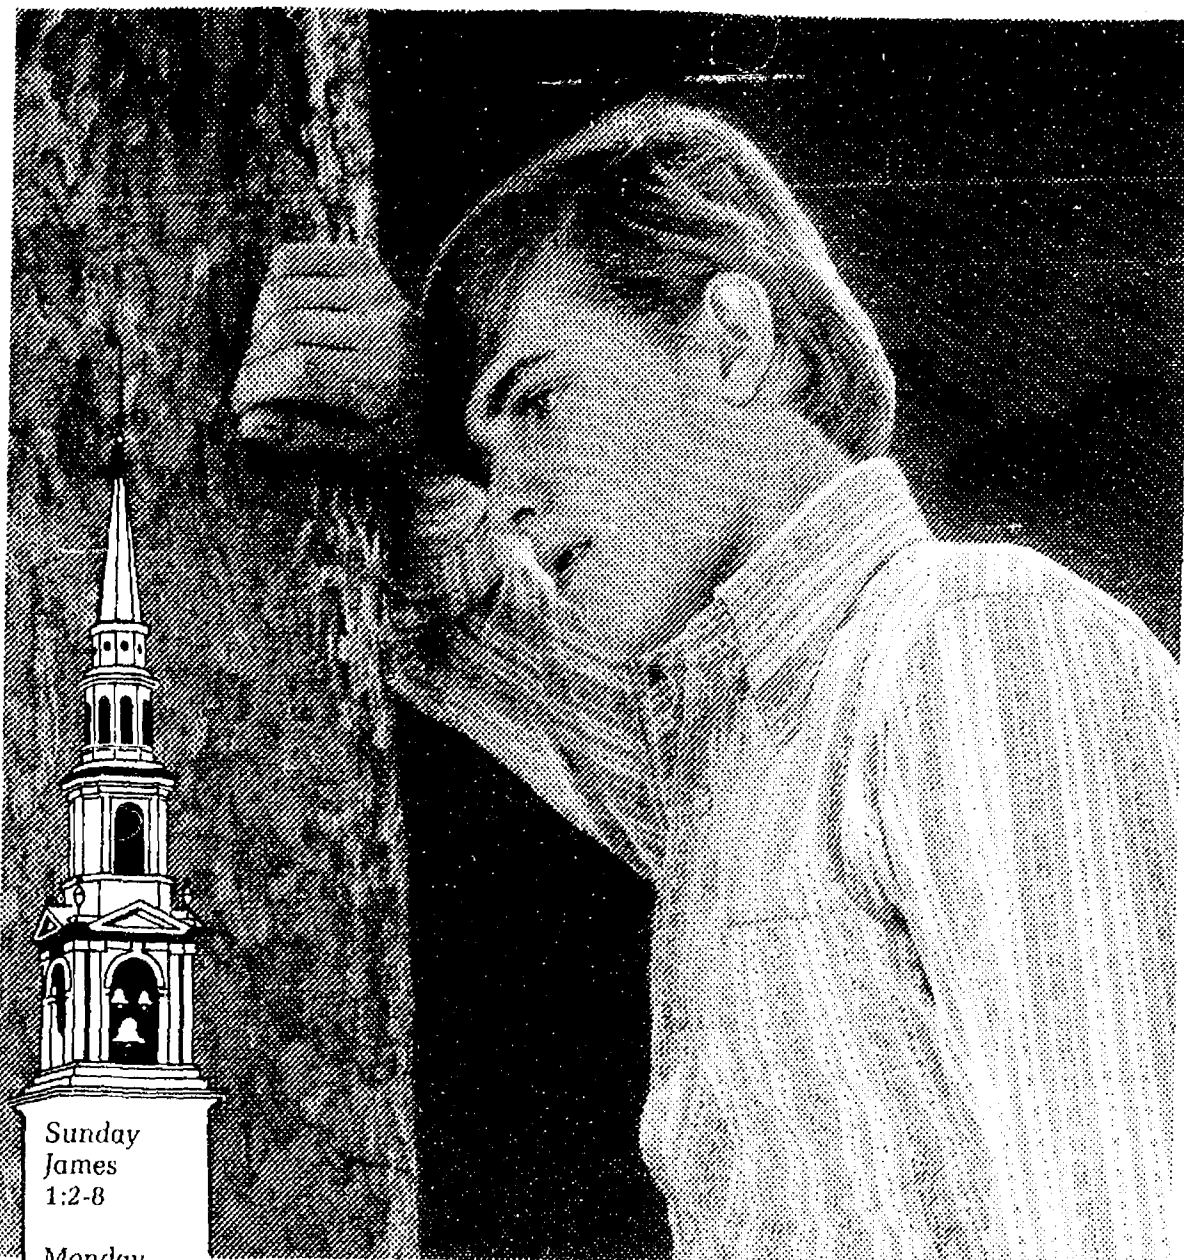

A request from Northern Tank to put brine on the county roads was denied.

The Board accepted the resignation of Manager Fox. Norm Feldhauser was appointed temporary Acting Manager. Manager Fox was instructed to advertise for an Engineer-Manager.

There being no further business, a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

Ervin E. Richter, Chairman
Lorna Bernard, Secretary

Life's roughest years

Being a teen-ager can be torture... a lot of the time. And the early twenties don't flatten out that smoothly. There's a desperate loneliness about having problems your kid-brother hasn't encountered and your parents must have forgotten.

The loneliness is worst if your folks gave you nothing to believe in — or if they turned you off when they tried to share their convictions with you.

No one has to stay away from God. Many a young searcher has found his faith, found himself, and found his family in his quest for spiritual certainties.

Sunday morning there's more to do than lean on a tree.

Grayling State Outlines Trust Services

The Manufacturers Bank of Detroit and Grayling State Bank were hosts at a luncheon meeting last Friday to discuss trust services with area insurance representatives and Grayling attorneys.

Grayling State Bank is now offering a variety of trust services to area residents, with policies tailor-made to meet the needs of the people of the community and administered by the Manufacturers National Bank of Detroit.

Robert J. Shade, Manufacturer's Vice-president and Trust Officer, outlined the type of services available and encourages citizens interested in setting up a trust account to contact the Grayling State Bank for further information.

Lawn and Garden Care

Planting Tips:

Acid soils benefit from a dressing of lime every three years at the rate of 5 lbs per 100 square ft. If you don't know what kind of soil you have, then you should have your soil tested. There are four different tests that should be made, 1) for lime, 2) nitrogen, 3) phosphorus and 4) potash. Fortunately vegetables tolerate a wide range of soil conditions. Most vegetables favor a slightly acid to neutral soil.

Weed control can be a problem, but regular hoeing can keep weeds in check as well as help roots breathe to produce better results. Mulching can limit this problem and produce dividends. Mulching keeps down weeds, conserves soil moisture, maintains an even soil temperature, and helps to keep fruit crops like tomatoes and peppers clean.

There are many kinds of mulching materials. Straw is especially good, clean brown straw looks great and is easy to obtain. A light six inch layer between rows of vegetables will smother most weeds and the occasional few that do break through are easily pulled by hand. Other organic materials that will work in a similar way to straw are shredded leaves, grass clippings, pine needles, chopped bark, any fibrous materials that will break down and decompose. Black plastic has proven to be especially beneficial to warm weather crops such as tomatoes, peppers, eggplant, pumpkins, squash and melons. The black color helps to absorb heat and maintains a high soil temperature when nights get cold.

The black plastic is layed down in strips at time of planting and holes are cut at the required row distances for transplants to be set in place. Edges of the plastic are then covered with soil to prevent wind from ripping it up.

4 Earn CMU Scholarships

Central Michigan University has awarded a number of scholarships for next fall to entering freshmen with outstanding high school academic records.

Among those receiving academic scholarships are Stephanie Fick, Mary Stewart, Toni Trudgeon and Lisa Weiss all of Grayling.

CMU automatically awards scholarships to valedictorians and salutatorians of Michigan high schools and to entering students with high school grade point averages of 3.50 (4.0 equals straight A) or better.

The valedictorian/salutatorian awards and the academic honors scholarships are granted by the CMU Board of Trustees to students admitted to the University.

In all, CMU expects to enroll some 3,200 freshmen next fall. The University closed regular freshman admissions on April 8, although qualified transfer students are still being admitted.

"Soldiers Creed"

I am an American soldier. I am a part of the Army of the United States and a protector of the greatest Nation on earth.

"I am proud of the uniform, I wear, and will at all times, conduct myself so as to bring credit upon the military service and the nation which it is pledged to protect.

"I am proud of my own organization and will do all in my power to make the outstanding unit of the Army.

"I will be loyal to those under whom I serve and will do my full part in carrying out any orders and instructions given to me or my unit. As a soldier, I realize that I am a member of a time honored profession and that I am doing my share, to perpetuate the principles of freedom for which my Country stands.

Regardless of the situation in which I find myself, I will never do any thing whether for pleasure, profit, or for personal safety, which will bring discredit upon my uniform, my unit, or my country.

"I will use every means within my power, over and beyond the line of duty if necessary, to restrain any of my comrade in the Army from actions which may bring disgrace not only upon themselves but upon the Uniform.

"I am proud of my Country and the Flag which is its symbol, every effort will be to do my duty to make the people of this nation proud of the service, I represent, FOR I AM AN AMERICAN SOLDIER.
